Afternoon Tea for Noonan Syndrome

Summer Fundraiser – Celebrating 40 Years of the Noonan Syndrome Association

Thank you for taking part!

This summer we're inviting friends, families, workplaces, schools and local communities to host an **Afternoon Tea for Noonan Syndrome** to celebrate the **40th Anniversary of the Noonan Syndrome Association**.

Every cup of tea, slice of cake and donation helps us continue supporting individuals and families affected by Noonan Syndrome across the UK.

Hosting your Afternoon Tea

Your event can be as simple or as elaborate as you like.

You could host:

- At home with family and friends
- In your garden
- At your workplace
- In a village hall or community centre
- At school, college or university
- As part of an existing community event

Serve tea, coffee, cakes, scones, sandwiches and other treats—and enjoy spending time together while supporting a great cause.

To help raise even more funds, why not include:

- 🍰 A bake sale
- 🎟️ A raffle with red and blue themed hampers
- 🧸 “Guess the Teddy’s Name”

You can also help spread awareness by sharing information about Noonan Syndrome with your guests.
